Shareholders who are unable to attend the Meeting are requested to complete, sign, date and return the enclosed proxy. A proxy will not be valid unless it is deposited by mail to Computershare Trust Company of Canada, Proxy Department, 100 University Avenue, 9th Floor, Toronto, ON M5J 2Y1 or by internet (www.investorvote.com) or telephone voting (1-866-732-VOTE within North America) not less than 48 hours (excluding Saturdays and holidays) before the time fixed for the Meeting or an adjournment thereof.

If you are a non-registered Shareholder of the Company and received this Notice and accompanying materials through a broker, a financial institution, a participant, or a trustee or administrator of a retirement savings plan, retirement income fund, education savings plan or other similar savings or investment plan registered under the Income Tax Act (Canada), or a nominee of any of the foregoing that holds your securities on your behalf (each, an “**Intermediary**”), please complete and return the materials in accordance with the instructions provided to you by your Intermediary.

INTRODUCTION GENERAL PROXY INFORMATION

Solicitation of Proxies

The solicitation of proxies by management of the Company will be conducted by mail and may be supplemented by telephone or other personal contact to be made without special compensation to any of the directors, officers and employees of the Company. The Company does not reimburse Shareholders, nominees or agents for costs incurred in obtaining from their principal’s authorization to execute forms of proxy, except that the Company has requested brokers and nominees who hold stock in their respective names to furnish this proxy material to their customers who are NOBOs (as defined below), and the Company will reimburse such brokers and nominees for their related out of pocket expenses. No solicitation will be made by specifically engaged employees or soliciting agents. The cost of solicitation will be borne by the Company.

No person has been authorized to give any information or to make any representation other than as contained in this Information Circular in connection with the solicitation of proxies. If given or made, such information or representations must not be relied upon as having been authorized by the Company. The delivery of this Information Circular shall not create, under any circumstances, any implication that there has been no change in the information set forth herein since the date of this Information Circular. This Information Circular does not constitute the solicitation of a proxy by anyone in any jurisdiction in which such solicitation is not authorized, or in which the person making such solicitation is not qualified to do so, or to anyone to whom it is unlawful to make such an offer of solicitation.

Appointment and Revocation of Proxies

The persons named in the accompanying form of proxy (the “**Proxy**”) are officers of the Corporation. **A registered shareholder has the right to appoint a person (who need not be a shareholder) other than the persons named as the proxy of the shareholder and may exercise this right either by inserting that person’s name in the blank space provided in the Proxy and striking out the other names or by completing another proper form of proxy.** To be effective, Proxies must be deposited at the office of the Corporation’s registrar and transfer agent, Computershare Trust Company of Canada, 100 University Avenue, Toronto, Ontario, M5J 2Y1, not less than 48 hours (excluding Saturdays, Sundays and holidays) before the time of the Meeting or adjournment thereof.

Proxies given by registered shareholders for use at the Meeting may be revoked at any time before their use. In addition to revocation in any other manner permitted by law, a Proxy may be revoked by depositing an instrument in writing signed by the registered shareholder, or by the registered shareholder’s attorney duly authorized in writing, at the registered office of the Corporation, 130 Saddlehorn Drive, Kaleden, British Columbia V0H 1K0 on or before

the last business day preceding the day of the Meeting, or any adjournment thereof, or with the chair of the Meeting on the day of the Meeting, or any adjournment thereof.

Registered Shareholders electing to submit a Proxy may do so by:

- i. **Internet:** Vote online at www.investorvote.com using the Proxy Control Number found in the enclosed Proxy;
- ii. **Mail:** Completing, dating and signing the enclosed Proxy and returning it to the Company's transfer agent, Computershare, by mail or hand delivery at 8th Floor, 100 University Avenue, Toronto, Ontario, M5J 2Y1, Canada; or
- iii. **Telephone:** Using a touch-tone phone to transmit voting choices to the toll-free number given in the Proxy. Registered Shareholders who choose this option must follow the instructions of the voice response system and refer to the enclosed Proxy for the toll-free number, the holder's account number and the Proxy Control Number.

Every Proxy may be revoked by an instrument in writing:

- (i) executed by the Shareholder or by his/her attorney authorized in writing or, where the Shareholder is a company, by a duly authorized officer or attorney of the company; and
- (ii) delivered either to the registered office of the Company at any time up to and including the last business day preceding the day of the Meeting or any adjournment thereof, at which the Proxy is to be used, or to the chairman of the Meeting on the day of the Meeting or any adjournment thereof,

or in any other manner provided by law.

Only Registered Shareholders have the right to revoke a Proxy. Non-Registered Shareholders who wish to change their vote must, at least seven days before the Meeting, arrange for their respective Intermediaries to revoke the Proxy on their behalf. If you are a Non-Registered Shareholder, see "Voting by Non-Registered Shareholders" below for further information on how to vote your Common Shares.

Exercise of Discretion by Proxyholder

The persons named in the Proxy will vote or withhold from voting the Common Shares represented thereby in accordance with your instructions. If you specify a choice with respect to any matter to be acted upon, your Common Shares will be voted accordingly. The Proxy confers discretionary authority on the persons named therein with respect to:

- (i) each matter or group of matters identified therein for which a choice is not specified,
- (ii) any amendment to or variation of any matter identified therein,
- (iii) any other matter that properly comes before the Meeting, and
- (iv) exercise of discretion of proxyholder.

In respect of a matter for which a choice is not specified in the Proxy, the persons named in the Proxy will vote the Common Shares represented by the Proxy for the approval of such matter. Management is not currently aware of any other matters that could come before the Meeting.

Voting by Non-Registered Shareholders

The following information is of significant importance to Shareholders who do not hold Common Shares in their own name. Non-Registered Shareholders should note that the only Proxies that can be recognized and acted upon at the Meeting are those deposited by Registered Shareholders.

If Common Shares are listed in an account statement provided to a Shareholder by an Intermediary, then in almost all cases those Common Shares will not be registered in the Shareholder's name on the records of the Company. Such Common Shares will more likely be registered under the name of the Shareholder's Intermediary or an agent of that Intermediary. In the United States, the vast majority of such Common Shares are registered under the name of Cede & Co. as nominee for The Depository Trust Company (which acts as depository for many U.S. brokerage firms and custodian banks), and in Canada, under the name of CDS & Co. (the registration name for The Canadian Depository for Securities Limited, which acts as nominee for many Canadian brokerage firms).

Every Intermediary has its own mailing procedures and provides its own return instructions to clients. However, most Intermediaries now delegate responsibility for obtaining voting instructions from clients to Broadridge Financial Solutions, Inc. ("Broadridge") in the United States and in Canada.

If you are a Non-Registered Shareholder, you should carefully follow the instructions on the Voting Instruction Form received from Broadridge in order to ensure that your Common Shares are voted at the Meeting. The Voting

Instruction Form supplied to you will be similar to the Proxy provided to the Registered Shareholders by the Company. However, its purpose is limited to instructing the Intermediary on how to vote on your behalf.

The Voting Instruction Form sent by Broadridge will name the same persons as the Company's Proxy to represent you at the Meeting. As a Non-Registered Shareholder you may not be recognized directly at the Meeting. In order to appoint a proxyholder of your own choosing, you should insert your own name or the name of the desired representative in the blank space provided in the Voting Instruction Form. Alternatively, you may provide other written instructions requesting that you or your desired representative be appointed as your proxyholder for your Intermediary. The completed Voting Instruction Form should be returned in accordance with the instructions on the form.

If you receive a Voting Instruction Form from Broadridge, you cannot use it to vote Common Shares directly at the Meeting – the Voting Instruction Form must be completed and returned in accordance with its instructions well in advance of the voting deadline in order to have your Common Shares voted at the Meeting.

Voting by Proxy Generally

Proxyholders other than the individuals named in the accompanying Proxy will be required to identify themselves by notice in writing to the Company by 12:30 p.m. EST on Friday June 20, 2024 so that the Company can confirm their identity prior to the Meeting and facilitate their voting of the Proxies that they hold at the Meeting. Notice may be provided by e-mail to the Company at dmark@aurionresources.ca. Proxies will not be accepted at the Meeting. All Proxies must be submitted to Computershare by 12:30 p.m. EST on Friday, June 20, 2024 (the "Proxy Deadline").

Votes received by the Proxy Deadline for each matter set out in the Notice will be tabulated by Computershare and compiled in a Proxy report (the "Proxy Report") completed by the Scrutineer. The determination as to whether a particular matter has been approved, a particular individual has been appointed or a particular resolution has been passed will be made solely on the basis of the voting results set out in the Proxy Report. Management will advise at the Meeting, the voting results for each matter set out in the Proxy Report and Shareholders will be entitled to request a copy of the Proxy Report from management after the Meeting.

Voting and Discretion of Proxies

The common shares (the "**Shares**") of the Corporation represented by the Proxies solicited by management of the Corporation pursuant to this Circular will be voted or withheld from voting in accordance with the directions contained therein. **If no directions are given, the Shares will be voted FOR the fixing of the number of directors at six (6), FOR the election of management's nominees as directors of the Corporation, FOR the appointment of management's nominee as auditors of the Corporation and authorizing the directors to fix their remuneration and FOR the approval of the stock option plan. The Proxy confers discretionary authority on the persons named therein in respect of amendments or variations to the matters referred to in the Notice and in respect of other matters that may properly come before the Meeting, or any adjournment thereof.**

As at the date of this Circular, management knows of no such amendments or variations or other matters that may properly come before the Meeting but, if any such amendments, variations or other matters are properly brought before the Meeting, the persons named in the Proxies will vote thereon in accordance with their best judgment.

INTEREST OF CERTAIN PERSONS IN MATTERS TO BE ACTED UPON

Oversight and Description of Director and Named Executive Officer Compensation

Compensation of Directors

Compensation of directors is recommended by the Compensation & Corporate Governance Committee (the “CCG Committee”) to the board of directors. As of December 31, 2024, non-executive directors receive annual fees of \$20,000 each. Long term incentives (stock options and DSUs) are granted from time to time, based on an existing complement of long-term incentives, corporate performance and to be competitive with other companies of similar size and scope.

Compensation of Named Executive Officers

The Company’s compensation philosophy for Named Executive Officers follows three underlying principles:

- (a) to provide compensation packages that encourage and motivate performance;
- (b) to be competitive with other companies of similar size and scope of operations so as to attract and retain talented executives; and
- (c) to align the interests of its executive officers with the long-term interests of the Company and its shareholders through stock related programs.

When determining compensation policies and individual compensation levels for the Company’s executive officers, the Company takes into consideration a variety of factors including management’s understanding of the amount of compensation generally paid by similarly situated companies to their executives with similar roles and responsibilities; each executive officer’s individual performance during the fiscal year; each executive officer’s experience, skills and level of responsibility; the executive’s historical compensation and performance within the Company; and existing market standards within the mining industry. Management presents its recommendations to the Board of Directors.

Elements of NEO Compensation

Compensation Mix

In keeping with the Company’s philosophy to link executive compensation to corporate performance and to motivate executives to achieve exceptional levels of performance, the Company has adopted a model that includes both base salary and “at-risk” compensation comprised of participation in the Company’s Long-Term Incentive Plan (stock options, DSUs and PSUs), as described below.

Base Salary

Mr. Talikka receives a base salary of \$200,000.

Mr. Serdan receives a base salary of \$150,000.

Directors are also eligible to receive a rate for consulting services when requested by the Company to provide services not normally considered to be within the scope of Directors’ duties. The Board considers that this is appropriate for the Company’s current stage of development. Base salaries are reviewed annually to ensure they reflect each respective executive’s performance and experience in fulfilling his or her role and to ensure executive retention.

Long Term Incentive Plan (Stock Options, DSUs and PSUs)

Long term incentives are performance-based grants of stock options, DSUs and PSUs. The awards are intended to align executive interests with those of shareholders by tying compensation to share performance and to assist in retention through vesting provisions. Grants of stock options, DSUs and PSUs are based on:

- (a) the executive’s performance;
- (b) the executive’s level of responsibility within the Company;
- (c) the number and exercise price of options previously issued to the executive; and
- (d) the overall aggregate total compensation package provided to the executive.

The value of any long-term stock options allocated is determined using the Black-Scholes model.

The value of any DSUs and PSUs granted is the market price of the Company’s shares.

Management makes recommendations to the CCG Committee and the Board concerning the Company’s Long-Term Incentive Plan based on the above criteria. Options and DSUs are typically granted on an annual basis in connection with the review of executives’ compensation packages. Options and DSUs may also be granted to executives upon hire or promotion and as special recognition for extraordinary performance.

The Company's Board of Directors considers previous grants of options, DSUs and PSUs and the overall number of options, DSUs and PSUs that are outstanding relative to the number of outstanding Shares in determining whether to make any new grants of options, DSUs and PSUs and the size and terms of any such grants, as well as the level of effort, time, responsibility, ability, experience, and level of commitment of the director, officer, employee, or consultant in determining the level of incentive compensation.

Benefits and Perquisites

The Company's NEOs do not receive any benefits or perquisites. For additional details, see "Description of the Long-Term Incentive Plan" below.

Further, all of the Executive's unvested stock options will be deemed to have vested and all unexercised stock options will remain exercisable until the earlier of ninety days following the date of such termination and the expiry date of such options.

The Board considers that this is appropriate for the Company's current stage of development. The Board has taken into consideration the Company's understanding of the range of salaries paid to other chief executive officers in the mining industry, as described above under the heading "Compensation Discussion and Analysis". STATEMENT OF CORPORATE GOVERNANCE

National Instrument 58-101, *Disclosure of Corporate Governance Practices*, ("**NI 58-101**") of the Canadian Securities Administrators requires each reporting issuer to disclose its corporate governance practices on an annual basis.

Set out below is a description of the Company's approach to corporate governance.

Board of Directors

NI 58-101 defines "independence" with reference to the definition of independence contained in National Instrument 52-110-Audit Committees ("**NI 52-110**"). A director is independent if he has no direct or indirect material relationship to the Company. A "material relationship" is a relationship which could, in the view of the Board, be reasonably expected to interfere with the exercise of the director's independent judgment. Certain types of relationships are by their nature considered to be material relationships and are specified in Section 1.4 of NI 52-110.

As of May 15, 2025, the Board consisted of six (6) directors: David Lotan, Matti Talikka, Dennis Clarke, David Loveys, Kerry Sparkes and Leily Omoumi. Of the current Board the following members are independent: Dennis Clarke, Kerry Sparkes, David Loveys and Leily Omoumi. The following members are not independent: Matti Talikka and David Lotan

Nomination of Directors

The Board selects new nominees to the Board, although a formal process has not been adopted. The nominees are generally the result of recruitment efforts by the Board members, including both formal and informal discussions among Board members and senior executives. The Board monitors, but does not formally assess, the performance of individual Board members or committee members or their contributions.

Other Board Committees

The Company has an Audit Committee (please refer to the "Audit Committee" section) and a Compensation & Corporate Governance Committee.

Assessments

The Board relies on experts such as financial advisors and external legal counsel and forms special committees on an ad hoc basis as necessary. Based on the Company's size, its stage of development and the limited number of individuals on the Board, the Board considers an external formal assessment process to be inappropriate at this time. The entire Board is responsible for selecting new directors and assessing current directors. A proposed director's credentials are reviewed in advance of a Board meeting by one or more members of the Board prior to the proposed director's nomination and in camera sessions are available at every Board meeting.

AUDIT COMMITTEE AND RELATIONSHIP WITH AUDITORS

The Audit Committee is a standing committee of the Board, the primary function of which is to assist the Board in fulfilling its financial oversight responsibilities, which will include monitoring the quality and integrity of the Company's financial statements and the independence and performance of the Company's external auditor, acting as a liaison between the Board and the Company's external auditor, reviewing the financial information that will be publicly disclosed and reviewing all audit processes and the systems of internal controls management and the Board have established. 1.2 Choice of Law

The Plan is established under, and the provisions of the Plan are to be interpreted and construed in accordance with, the laws of the Province of British Columbia and the federal laws of Canada applicable therein.

1.3 Headings

The headings used herein are for convenience only and are not to affect the interpretation of the Plan.

ARTICLE 2 PURPOSE AND PARTICIPATION

2.1 Purpose

The purpose of the Plan is to provide the Company with a share-related mechanism to attract, retain and motivate qualified Directors, Employees and Consultants, to reward such of those Directors, Employees and Consultants as may be awarded Options under the Plan by the Board from time to time for their contributions toward the long term goals of the Company and to enable and encourage such Directors, Employees and Consultants to acquire Shares as long term investments.

2.2 Participation

The Board shall, from time to time, in its sole discretion determine those Directors, Employees and Consultants, if any, to whom Options are to be awarded. If the Board elects to award an Option to a Director, the Board shall, in its sole discretion but subject to paragraph 3.2, determine the number of Shares to be acquired on the exercise of such Option. A Director of the Company to whom an Option may be granted shall not participate in the decision of the Board to grant such Option. If the Board elects to award an Option to an Employee or Consultant, the number of Shares to be acquired on the exercise of such Option shall be determined by the Board in its sole discretion, and in so doing the Board may take into account the following criteria:

- (a) the remuneration paid to the Employee or Consultant as at the Award Date in relation to the total remuneration payable by the Company to all of its Employees and Consultants as at the Award Date;
- (b) the length of time that the Employee or Consultant has been employed or engaged by the Company;
- (c) the quality of work performed by the Employee or Consultant; and

- (d) any other factors which it may deem proper and relevant.

A press release is required at the time of grant for Options granted to Option Holders who are insiders or Investor Relations Service Providers.

2.3 Notification of Award

Following the approval by the Board of the awarding of an Option, the Administrator shall notify the Option Holder in writing of the award and shall enclose with such notice the Option Certificate representing the Option so awarded.

2.4 Copy of Plan

Each Option Holder, concurrently with the notice of the award of the Option, shall be provided with a copy of the Plan, unless a copy has been previously provided to the Option Holder. A copy of any amendment to the Plan shall be promptly provided by the Administrator to each Option Holder.

2.5 Limitation

The Plan does not give any Option Holder that is a Director the right to serve or continue to serve as a Director of the Company nor does it give any Option Holder that is an Employee or Consultant the right to be or to continue to be employed or engaged by the Company. Participation in the Plan by an Option Holder is voluntary.

ARTICLE 3 TERMS AND CONDITIONS OF OPTIONS

3.1 Board to Allot Shares

The Shares to be issued to Option Holders upon the exercise of Options shall be allotted and authorized for issuance by the Board prior to the exercise thereof.

3.2 Number of Shares

The maximum number of Shares issuable under the Plan, together with the number of Shares issuable under outstanding options granted otherwise than under the Plan, shall not exceed 10% of the issued and outstanding Shares of the Company. Additionally, the Company shall not grant Options:

- (a) to any one Person in any 12 month period which could, when exercised, result in the issuance of Shares exceeding five percent (5%) of the issued and outstanding Shares of the Company unless the Company has obtained the requisite Disinterested Shareholder Approval to the grant;
- (b) to any one Consultant in any 12 month period which could, when exercised, result in the issuance of Shares exceeding 2% of the issued and outstanding Shares of the Company; or

- (c) in any 12 month period, to Investor Relations Service provider which could, when exercised, result in the issuance of Shares exceeding, in aggregate, 2% of the issued and outstanding Shares of the Company.

If any Option expires or otherwise terminates for any reason without having been exercised in full, the number of Shares in respect of which Option expired or terminated shall again be available for the purposes of the Plan.

Options may not be granted unless and until the Options have been allocated to specific Persons, and then, once allocated, a minimum Exercise Price can be established.

3.3 Reduction in Exercise Price of Extension of Term

Disinterested Shareholder approval must be obtained for any reduction in the exercise price of a Stock Option, or the extension of the term of a Stock Option, if the Participant is an Insider of the Company at the time of the proposed amendment.

3.4 Exercise Price

The Exercise Price shall be that price per share, as determined by the Board in its sole discretion as of the Award Date, at which an Option Holder may purchase a Share upon the exercise of an Option, and shall be set at a minimum of the closing price of the Company's Shares traded through the facilities of the Exchange on the day preceding the Award Date, or such other price as may be required by the Exchange. Any reduction in the exercise price of an Option held by an Option Holder who is an insider of the Company at the time of the proposed reduction will require Disinterested Shareholder Approval.

3.5 Term of Option

Subject to paragraph 3.5 and Article 4, the Expiry Date of an Option shall be the date so fixed by the Board at the time the particular Option is awarded, provided that such date shall not be later than the tenth anniversary of the Award Date of the Option.

3.6 Termination of Option

An Option Holder may, subject to any vesting provisions applicable to Options hereunder, exercise an Option in whole or in part at any time or from time to time during the Exercise Period provided that, with respect to the exercise of part of an Option, the Board may at any time and from time to time fix a minimum or maximum number of Shares in respect of which an Option Holder may exercise part of any Option held by such Option Holder. Any Option or part thereof not exercised within the Exercise Period shall terminate and become null, void and of no effect as of 5:00 p.m. local time in Vancouver, British Columbia, on the Expiry Date. Subject to Article 4, the Expiry Date of an Option shall be the earlier of the date so fixed by the Board at the time the Option is awarded and the date established, if applicable, in sub-paragraphs (a) to (c) below (the "**Early Termination Date**"):

(a) Death

In the event that the Option Holder should die while he or she is still a Director (if he or she holds his or her Option as Director) or Employee or Consultant (if he or she holds his or her Option as Employee or Consultant), the Early Termination Date shall be twelve months from the date of death of the Option Holder;

(b) Ceasing to Hold Office

In the event that the Option Holder holds his or her Option as Director of the Company and such Option Holder ceases to be a Director of the Company other than by reason of death, the Early Termination Date of the Option shall be the 90th day following the date the Option Holder ceases to be a Director of the Company unless the Option Holder ceases to be a Director of the Company but continues to be engaged by the Company as an Employee or a Consultant, in which case the Expiry Date shall remain unchanged, or unless the Option Holder ceases to be a Director of the Company as a result of:

- (i) ceasing to meet the qualifications set forth in the *Business Corporations Act* (British Columbia);
- (ii) a resolution having been passed by the shareholders of the Company pursuant to the *Business Corporations Act* (British Columbia) removing the Director as such; or
- (iii) by order of the British Columbia Registrar of Companies, British Columbia Securities Commission, the Exchange or any other regulatory body having jurisdiction to so order,

in which case the Early Termination Date shall be the date the Option Holder ceases to be a Director of the Company;

(c) Ceasing to be an Employee or a Consultant

In the event that the Option Holder holds his or her Option as an Employee or Consultant of the Company and such Option Holder ceases to be an Employee or Consultant of the Company other than by reason of death, the Early Termination Date of the Option shall be the 90th day following the date the Option Holder ceases to be an Employee or Consultant of the Company unless the Option Holder ceases to be an Employee or Consultant of the Company as a result of:

- (i) termination for cause or, in the case of a Consultant, breach of contract; or
- (ii) by order of the British Columbia Registrar of Companies, British Columbia Securities Commission, the Exchange or any other regulatory body having jurisdiction to so order,

in which case the Early Termination Date shall be the date the Option Holder ceases to be an Employee or Consultant of the Company.

Any termination of an Employee's employment with the Company for any reason shall occur on the date the Employee ceases to perform services for the Company without regard to any period of notice or where the Employee continues thereafter to receive any compensatory payments therefrom or is paid salary thereby in lieu of notice of termination of employment.

Notwithstanding the foregoing, the Early Termination Date for Options granted to any Option Holder engaged as an Investor Relations Service Provider shall be the 30th day following the date that the Option Holder ceases to be employed in such capacity, unless the Option Holder continues to be engaged by the Company as an Employee or Director, in which case the Early Termination Date shall be determined as set forth above.

3.7 Blackout Period

The Company may from time to time impose trading blackouts during which Directors, Consultants or Employees may not trade in the securities of the Company. If a trading blackout is imposed, subject to the terms of the blackout and the Company's blackout policy, Option Holders may not exercise Options until expiry of the blackout period.

As a result of the foregoing limitation, the term of any Option that would otherwise expire during a blackout period will be extended by no later than 10 business days following the expiry of such blackout period, provided that the following requirements are satisfied:

- (a) the blackout period must be formally imposed by the Company pursuant to its internal trading policies. For greater certainty, in the absence of the Company formally imposing a blackout period, the expiry date of any Options will not be automatically extended in any circumstances;
- (b) the blackout period must expire upon the general disclosure of the undisclosed Material Information; and
- (c) the automatic extension of an Option Holder's Options will not be permitted where the Optionee or the Company is subject to a cease trade order (or similar order under securities laws) in respect of the Company's securities.

3.8 Hold Period and Vesting Requirements

The Company may grant Options without an Exchange hold period provided that the Option is not granted to an insider, promoter or consultant of the Company and provided that the Exercise Price of an Option is based on the Market Price and not at a discount to the Market Price. All Options granted pursuant to the Plan will be subject to such vesting requirements as may be imposed by the Board. Unless expressly determined by the Board, each Option shall vest over a period of 12 months from the Award Date and shall be released and available for exercise as follows:

- (a) 50% of the number of shares subject to the Option six months following the Award Date; and
- (b) the remaining 50% of the number of shares subject to the Option on the first anniversary of the Award Date.

The Option Certificate representing any such Option will disclose any vesting conditions. Notwithstanding the foregoing, Options issued to an Investor Relations Service Provider will vest in stages over at least 12 months with no more than 1/4 of the Options vesting in any three month period.

3.9 Assignment of Options

Options may not be assigned or transferred, provided however that the Personal Representative of an Option Holder may, to the extent permitted by paragraph 5.1, exercise the Option within the Exercise Period.

3.10 Adjustments

If, prior to the complete exercise of any Option, the Shares are consolidated, subdivided, converted, exchanged or reclassified or in any way substituted for (collectively the “**Event**”) other shares of the Company, an Option, to the extent that it has not been exercised, shall be adjusted by the Board in accordance with such Event in the manner the Board deems appropriate. No fractional Shares shall be issued upon the exercise of any Option and accordingly, if as a result of the Event, an Option Holder would become entitled to a fractional Share, such Option Holder shall have the right to purchase only the next lowest whole number of Shares and no payment or other adjustment will be made with respect to the fractional interest so disregarded. Additionally, no lots of Shares in an amount less than 500 Shares shall be issued upon the exercise of the Option unless such amount of Shares represents the balance left to be exercised under the Option.

Any adjustment, other than in connection with a security consolidation or security split, to Security Based Compensation granted or issued under a Security Based Compensation Plan must be subject to the prior acceptance of the Exchange, including adjustments related to an amalgamation, merger, arrangement, reorganization, spin-off, dividend or recapitalization.

3.11 Exclusion From Severance Allowance, Retirement Allowance or Termination Settlement

If an Option Holder retires, resigns or is terminated from employment or engagement with the Company or any subsidiary of the Company, the loss or limitation, if any, pursuant to the Option Certificate with respect to the right to purchase Shares which were not vested at the time or which, if vested, were cancelled, shall not give rise to any right to damages and shall not be included in the calculation of nor form any part of any severance allowance, retiring allowance or termination settlement of any kind whatsoever in respect of such Option Holder.

ARTICLE 4 CHANGE OF CONTROL

4.1 Change of Control Event

4.1 If at any time when an Option granted under this Plan remains unexercised with respect to any Shares and:

- (a) a Person makes an offer to acquire Shares that, regardless of whether the acquisition is completed, would make the Person an Acquiring Person;
- (b) an Acquiring Person makes an offer, regardless of whether the acquisition is completed, to acquire Shares;
- (c) the Company proposes to sell assets with a fair market value exceeding 50% of the fair market value of all of the Company's assets, as reasonably determined by the Board;
- (d) the shareholders of the Company pass a resolution to merge, amalgamate or be absorbed by or into any other corporation (save and except for a Subsidiary) under any circumstances which involve or may involve or require the liquidation of the Company, a distribution of its assets among its shareholders, or the termination of the corporate existence of the Company;
- (e) the Company proposes, and the shareholders of the Company approve, an arrangement as a result of which a majority of the outstanding Shares of the Company would be acquired by a third party; or
- (f) any other form of transaction is proposed which the majority of the Board determines is reasonably likely to have similar effect as any of the foregoing,

(each a "Change of Control Event"), then, in connection with any of the foregoing Change of Control Events, the vesting of all Options and the time for the fulfilment of any conditions or restrictions on such vesting shall be accelerated to a date or time immediately prior to the Effective Time of the Change of Control Event, subject to any required approval of the Exchange, and the Board, in its sole discretion, may authorize and implement any one of the following additional courses of action:

- (a) terminating without any payment or other consideration, any Options not exercised or surrendered by the Effective Time of the Change of Control Event;
- (b) causing the Company to offer to acquire from each Option Holder his or her Options for a cash payment equal to the In the Money Amount, and any Options not so surrendered or exercised by the Effective Time of the Change of Control Event will be deemed to have expired; and
- (c) exchanging an Option granted under this Plan for an option to acquire, for the same exercise price, that number and type of securities as would be distributed to the Option Holder in

respect of the Shares issued to the Option Holder had he or she exercised the Option prior to the Effective Time of the Change of Control Event, provided that any such replacement option must provide that it survives for a period of not less than one year from the Effective Time of the Change of Control Event, regardless of the continuing directorship, officership or employment of the holder.

4.2 Board Discretion

For greater certainty, and notwithstanding anything else to the contrary contained in this Plan, the Board shall have the power, in its sole discretion, in any Change of Control Event which may or has occurred, to make such arrangements as it shall deem appropriate for the exercise of outstanding Options including, without limitation, to modify the terms of this Plan and/or the Options as contemplated above, subject to any required approval of the Exchange. If the Board exercises such power, the Options shall be deemed to have been amended to permit the exercise thereof in whole or in part by the Option Holder at any time or from time to time as determined by the Board prior to or in conjunction with completion of the Change of Control Event.

ARTICLE 5 EXERCISE OF OPTION

5.1 Exercise of Option

An Option may be exercised only by the Option Holder or the Personal Representative of any Option Holder. An Option Holder or the Personal Representative of any Option Holder may exercise an Option in whole or in part at any time or from time to time during the Exercise Period up to 5:00 p.m. local time in Vancouver, British Columbia on the Expiry Date by delivering to the Administrator an Exercise Notice, the applicable Option Certificate and a certified cheque or bank draft payable to the Company in an amount equal to the aggregate Exercise Price of the Shares to be purchased pursuant to the exercise of the Option.

5.2 Issue of Share Certificates

As soon as practicable following the receipt of the Exercise Notice, the Administrator shall cause to be delivered to the Option Holder a certificate for the Shares purchased pursuant to the exercise of the Option. If the number of Shares purchased is less than the number of Shares subject to the Option Certificate surrendered, the Administrator shall forward a new Option Certificate to the Option Holder concurrently with delivery of the aforesaid share certificate for the balance of Shares available under the Option.

5.3 Cashless Exercise

Notwithstanding paragraphs 5.1 and 5.2, with the approval of the Board (which may be withheld entirely in the sole and absolute discretion of the Board), an Option Holder may elect to exercise Option(s) (any such exercise, a “**Broker-Assisted Cashless Exercise**”), in whole or in part, by providing (i) irrevocable instructions to the Company to deliver the aggregate number of Shares to be issued to the Option Holder upon such Broker-Assisted Cashless Exercise promptly to a broker acceptable to the Company for the Option Holder’s account, and (ii) irrevocable instructions to the broker to sell the Shares sufficient to pay the aggregate Option Price of the Option(s) being

exercised (plus any amount required for any withholding obligations) and upon such sale to deliver the Option Price of the Option(s) being exercised (plus any amount required for any withholding obligations) to the Company.

5.4 Condition of Issue

The issue of Shares by the Company pursuant to the exercise of an Option is subject to this Plan and compliance with the laws, rules and regulations of all regulatory bodies applicable to the issuance and distribution of such Shares and to the listing requirements of the Exchange or any stock exchange on which the Shares may be listed. The Option Holder agrees to comply with all such laws, rules and regulations and agrees to furnish to the Company any information, report and/or undertakings required to comply with and to fully co-operate with the Company in complying with such laws, rules and regulations.

ARTICLE 6 ADMINISTRATION

6.1 Administration

The Plan shall be administered by the Administrator on the instructions of the Board. The Board may make, amend and repeal at any time and from time to time such regulations not inconsistent with the Plan as it may deem necessary or advisable for the proper administration and operation of the Plan and such regulations shall form part of the Plan. The Board may delegate to the Administrator or any Director or Employee of the Company such administrative duties and powers as it may see fit.

6.2 Interpretation

The interpretation by the Board of any of the provisions of the Plan and any determination by it pursuant thereto shall be final and conclusive and shall not be subject to any dispute by any Option Holder. No member of the Board or any Person acting pursuant to authority delegated by it hereunder shall be liable for any action or determination in connection with the Plan made or taken in good faith and each member of the Board and each such Person shall be entitled to indemnification with respect to any such action or determination in the manner provided for by the Company.

6.3 Withholding

The Company may withhold from any amount payable to an Option Holder, subject to Policy 4.4 of the TSX Venture Exchange, either under this Plan or otherwise, such amount as may be necessary to enable the Company to comply with the applicable requirements of any federal, provincial, state or local law, or any administrative policy of any applicable tax authority, relating to the withholding of tax or any other required deductions with respect to grants hereunder (the “**Withholding Obligations**”). The Company shall also have the right in its discretion to satisfy any liability for any Withholding Obligations by selling, or causing a broker to sell, on behalf of any Option Holder such number of Shares issued to the Option Holder sufficient to fund the Withholding Obligations (after deducting commissions payable to the broker), or retaining any

amount payable which would otherwise be delivered, provided or paid to the Option Holder hereunder.

The Company may require an Option Holder, as a condition to exercise of an Option, to make such arrangements as the Company may require so that the Company can satisfy applicable Withholding Obligations with respect to such exercise, including, without limitation, requiring the Option Holder to: (i) remit the amount of any such Withholding Obligations to the Company in advance; (ii) reimburse the Company for any such Withholding Obligations; (iii) authorize the Company to sell, on behalf of the Option Holder, all of the Shares issuable upon exercise of such Options or such number of Shares as is required to satisfy the Withholding Obligations and to retain such portion of the net proceeds (after payment of applicable commissions and expenses) from such sale the amount required to satisfy any such Withholding Obligations; or (iv) cause a broker who sells Shares acquired by the Option Holder under the Plan on behalf of the Option Holder to withhold from the proceeds realized from such sale the amount required to satisfy any such Withholding Obligations and to remit such amount directly to the Company. The Company undertakes to remit any such amount to the applicable taxation or regulatory authority on account of such Withholding Obligations.

Any Shares of an Option Holder that are sold by the Company, or by a broker engaged by the Company (the “**Broker**”), to fund Withholding Obligations will be sold as soon as practicable in transactions effected on the Exchange or such other stock exchange where the majority of the trading volume and value of the Shares occurs. In effecting the sale of any such Shares, the Company or the Broker will exercise its sole judgement as to the timing and manner of sale and will not be obligated to seek or obtain a minimum price. Neither the Company nor the Broker will be liable for any loss arising out of any sale of such Shares including any loss relating to the manner or timing of such sales, the prices at which the Shares are sold or otherwise. In addition, neither the Company nor the Broker will be liable for any loss arising from a delay in transferring any Shares to an Option Holder. The sale price of Shares sold on behalf of Option Holders will fluctuate with the market price of the Company’s shares and no assurance can be given that any particular price will be received upon any such sale.

ARTICLE 7 AMENDMENT AND TERMINATION

7.1 Prospective Amendment

Subject to applicable regulatory and, if required by any relevant law, rule or regulation applicable to the Plan, to shareholder approval, the Board may from time to time amend the Plan and the terms and conditions of any Option thereafter to be granted and, without limiting the generality of the foregoing, may make such amendment for the purpose of meeting any changes in any relevant law, rule or regulation applicable to the Plan, any Option or the Shares or for any other purpose which may be permitted by all relevant laws, rules and regulations, provided always that any such amendment shall not alter the terms or conditions of any Option or impair any right of any Option Holder pursuant to any Option awarded prior to such amendment. Notwithstanding the foregoing, the Board may, subject to the requirements of the Exchange, amend the terms upon which each Option shall become vested with respect to Shares without further approval of the

Exchange, other regulatory bodies having authority over the Company, the Plan or the shareholders.

7.2 Retrospective Amendment

Subject to applicable regulatory and, if required by any relevant law, rule or regulation applicable to the Plan, to shareholder approval, the Board may from time to time retrospectively amend the Plan and, with the consent of the affected Option Holders, retrospectively amend the terms and conditions of any Options which have been previously granted. For greater certainty, the policies of the Exchange currently require that disinterested shareholder approval be obtained for any reduction in the Exercise Price of any Option held by an insider of the Company.

7.3 Termination

The Board may terminate the Plan at any time provided that such termination shall not alter the terms or conditions of any Option or impair any right of any Option Holder pursuant to any Option awarded prior to the date of such termination. Notwithstanding the termination of the Plan, the Company, Options awarded under the Plan, Option Holders and Shares issuable under Options awarded under the Plan shall continue to be governed by the provisions of the Plan.

7.4 Agreement

The Company and every Person to whom an Option is awarded hereunder shall be bound by and subject to the terms and conditions of the Plan.

7.5 No Shareholder Rights

An Option Holder shall not have any rights as a shareholder of the Company with respect to any of the Shares covered by an Option until the Option Holder exercises such Option in accordance with the terms of the Plan and the issuance of the Shares by the Company.

7.6 Record Keeping

The Company shall maintain a register in which shall be recorded the name and address of each Option Holder, the number of Options granted to an Option Holder, the details thereof and the number of Options outstanding.

7.7 No Representation or Warranty

The Company makes no representation or warranty as to the future market value of any Shares issued in accordance with the provisions of the Plan.

7.8 Option Holder Status

For stock options granted to Employees, Consultants or Management Company Employees, the Company and the Option Holder are responsible for ensuring and confirming that the Option Holder is a *bona fide* Employee, Consultant or Management Company Employee, as the case may be.

ARTICLE 8
APPROVALS REQUIRED FOR PLAN

8.1 Approvals Required for Plan

Prior to its implementation by the Company, the Plan is subject to approval by the Exchange and thereafter the Plan must be approved by shareholders and the Exchange on an annual basis. The Company will obtain Disinterested Shareholder Approval of Options if the Plan, together with all of the Company's previously established and outstanding stock option plans or grants, could result at any time in the grant to insiders, as a group, at any point or time or within a 12 month period, of a number of Options exceeding 10% of the issued shares of the Company.

8.2 Substantive Amendments to Plan

Any substantive amendments to the Plan shall be subject to the Company first obtaining the approvals of:

- (a) the shareholders or disinterested shareholders, as the case may be, of the Company at a general meeting where required by the rules and policies of the Exchange or any stock exchange on which the Shares may be listed for trading; and
- (b) the Exchange or any stock exchange on which the Shares may be listed for trading.
